This is a way for REALTORS to really show how much we are about the community. We are out there every day, grinding and helping to grow Lake Havasu into the home we know and love.

The drive behind each of us is present at these events, year after year. We work hard to supply ourselves and our families, but we aren't hesitant when we hear of those who may need a little help. We help the kids, parents, those who protect and serve us, and especially those who help others. The leadership has changed hands many times in the past 29 years, but the passion can still be seen today, in your LHAR REALTORS®.
